

RAISE YOUR MITT TO COMMIT!

Get creative and color in the cooking mitt!

September is National Family Meals Month™. Let's celebrate by sharing one more family meal per week! Kids who eat with their families regularly are better nourished, have lower rates of obesity and do better in school. Join the fun and help us bring awareness to these benefits with these coloring sheets! Children can complete either sheet for a chance to be featured on our social media during September. At the end of the month, one drawing will be selected to win a special prize!

To submit, please use one of these options and include the first name and age of your child.
