

Cheddar Cheese Beer Dip (featuring Spoetzl Brewery's Shiner Bock)

- 16 oz Food Club cream cheese, softened
- 1/2 cup Shiner Bock
- 1 packet dry ranch dressing mix
- 2 cups Food Club shredded cheddar cheese
- Pretzels, crostini, crackers, and/or chips

Place cream cheese, beer, and ranch dressing mix in a bowl. Beat with an electric mixer until smooth and creamy. Add the cheddar cheese and mix on low until blended. If the dip is too thick, add a little more beer and mix well. Keep refrigerated until ready to serve.
